

THE WORLD OF GROHE SHOWERS - WHICH SHOWER IS THE RIGHT MATCH FOR YOUR CUSTOMER?

Every customer values different aspects of their shower and individual showering habits require different product solutions. Dive into the versatile shower world and find the shower enjoyment that fits you best. No matter how big or small your budget is GROHE has the right solution for everyone.

Expert tip:

GROHE thermostats with TurboStat technology offer always the right temperature, for utmost convenience and safety.

GROHE TEMPESTA 250 COMFORT AND JOY

+ Sustainable water enjoyment for everyone:

The 250 mm with full face rain spray available in round and square maximises the shower experience at an affordable price. An additional highlight of the minimalistic head shower: the EcoJoy technology saves water without compromising on the shower performance.

GROHE EUPHORIA 260 & 310 UPDATE YOUR SHOWER

+ Upgrade your client's shower:

The updated GROHE Euphoria range is designed to bring joy into your clients' bathrooms. Thanks to FastFixation, these shower systems are an easy upgrade as the installation is possible without any drilling. Choose between the 260mm or 310mm head shower. For superior safety, the thermostats are equipped with GROHE CoolTouch to prevent the product surface from getting hot. The handles, in addition, guarantee precise water control – even with soapy hands.

GROHE RAINSHOWER SMARTACTIVE SPREAD HAPPINESS

+ Innovative hand shower with smart functions for your customer:

For personalised shower pleasure, the hand shower is equipped with the SmartTip control to easily switch between 3 sprays with a touch of a finger. Brand new highlight: GROHE DripStop minimises annoying dripping after turning off the hand shower in the Rain and Jet spray modes. Additionally the 310 mm head shower provides full body coverage.

GROHE EUPHORIA 310 SMARTCONTROL DUO TURN UP YOUR SHOWER EXPERIENCE

+ Premium shower pleasure:

Thanks to its intuitive operation, GROHE SmartControl offers full flexibility when it comes to shower enjoyment - simply push, turn, shower. The users can choose their preferred water volume and favourite spray with the touch of a button. The 310mm head shower ensures full body coverage guaranteeing the user enjoys complete showering pleasure.
